This is produced with the support of the Plainfield Historical Society and is based on the extensive work done by Kay MacLeay in researching town records and gravestones. The work is based on research done by Vernon Hood. The Vernon Hood records are now owned by Dartmouth Library and are located in the Rauner Museum. Use of these records as the base of the current work has been granted by Dartmouth Library.

Corrections and additions are welcomed and will be incorporated in future re-issues. These may be sent to:
